Dita e lirise do t'agoje, Shqiperija do te jete perseri zonje me vete, e nderuar prej gjithë botes, e qete dhe e lumtur.

Tirania komuniste do te shembet, te drejtat e popullit te shtypur do te triumfojne. Keshtu ka qene gjithemone, e keshtu do te jete sa te jete jeta !

VDEKJE KOMUNIZMIT LIRI KOMBIT

English Translation.

SISTER AND BROTHER ALBANIANS!

We know that you are breadless, we know that you have nothing with which to clothe yourselves, we know that you do not have the necessary medicines to fight your ills from the numerous diseases, and that most of you are shadowed and persecuted as reactionaries, kulaks, enemies of the people, we know that you are suffering in prisons, concentration camps and under heavy forced labour.

The regime of blood and shame, the regime of filth and privations is oppressing and strangling you every day the more.

You are the martyrs of the enslaved nation, you are the heroes of the betrayed Fatherland, you are the witnesses and the victims of the Red terror, you are the hope and the force that will hoist high Skenderbej's flag, that will for ever liberate Albania from the traitors and spies.

Sisters and Brothers!

Have faith in the ideal of freedom, have faith in the democratic principles, have faith in the forces of the United Nations, have faith in yourselves, have faith in the National Committee of Free Albania! The day of freedom will dawn, Albania will again be free, peaceful, happy and honored by all the world.

The Communist tyranny will be destroyed, the rights of the oppressed people will triumph. It has been so in the past and so it is going to be for ever.

DEATH TO COMMUNISM----- FREEDOM TO THE NATION
